Most pop culture conventions have an Artists' Alley. At Supanova we have THE ALLEY! Showcasing incredible artists, fan clubs, storytellers and traders of the most amazing merch, The Alley is an absolute must see for every visitor to Supanova.

Conditions to exhibit in The Alley

Over the years the essence of the Artists Alley has gone astray so we've turned it on its head to help get the area back to its roots of originality and hand made excellence. Supanova has re-invented The Alley to make it easier for those wanting to exhibit and get the best exposure, with each area having its own branding and pricing.

Indie Press Zone:

For creators and sellers of their own novels, comics, manga, graphic novels and other small press or indie publications.

Prints Paradise:

If prints, artworks and illustrations are your thing, this is the place for you! This area is dedicated to artists predominantly selling prints and art pieces.

Bytes & Backlots:

Indie gaming and film/TV based start-ups and promotions.

Created Collectables:

Producers of their own non-commercial quantity level of merchandise be it jewellery, mugs, badges, T-shirts or a wide range of other items

Fanclub Central:

The name says it all but it also includes charity organisations.

Supa-Market:

Full retail opportunity in a smaller space if a booth is not what you need.
